

Cynthia Glinka and A.C. Griffing present

a new *spin* on Cotillion for
Middle School Students – 6th and 7th Graders

www.MannersInMotion.net

Wouldn't it be great if your child could learn the basics of social dancing – along with essential etiquette skills – and have fun doing it? **Manners in Motion®** is a program where kids learn partner dancing, social skills, dining etiquette and then get to dance to a live band. The program features an innovative and highly motivated teaching technique.

Social partner dancing and good manners never go out of style!

Directed by Dance Coach & Choreographer Cynthia Glinka and A.C. Griffing

For the past 13 years, Cynthia has inspired thousands of middle schoolers in the Bay Area along with her partner A.C. Now she brings a new level of fun, glamour and excitement to classic Cotillion instruction. Sessions are taught in a supportive, non-competitive environment that integrates social group awareness with a sense of style and grace.
